FOUNDATION

Please join CAAF and Mattel in a celebration of the artists and artwork participating in the 2009 Dream Halloween Art Auction!

The Preview Night exhibit will include a silent auction of over 70 pieces of original art created by Mattel employees. All those in attendance will have the opportunity to bid on one of these original works of art! Proceeds will benefit the Children Affected by AIDS Foundation (CAAF), a Mattel philanthropic Signature Partner.

CAAF strives to make a meaningful difference in the lives of children infected with HIV and affected by AIDS, and Mattel is proud to continue its successful partnership of CAAF at its annual Dream Halloween event.

This event is open to Mattel employees, as well the general public. Invite a friend and start bidding!

Attire is casual. Light food and drinks will be served
